Come to join us at the Connection Event! A great way to get to know us, learn more about our opportunities, and discover if a career at BCG is a good fit for you.

Consulting at its Best

The Boston Consulting Group (BCG) is a leading global management consulting firm and the world's leading advisor on business strategy. We partner with clients from the private, public, and not-for-profit sectors in all regions to identify their highest-value opportunities, address their most critical challenges, and transform their enterprises. With 80+ offices in 46 countries, we are growing faster than our key competitors in every region.

Greater China is a key growth market for BCG. With offices in Taipei, Hong Kong, Beijing and Shanghai, BCG Greater China has already built a long track record and solid reputation which keep clients turning to us for help in navigating the dynamic business environment. In Greater China, we have been continually supporting many of our long-term local and multinational clients with their strategy and implementation.

BCG is actively looking for top talents from leading colleges and universities worldwide. We are interested in hearing from first-rate students who are studying for their first/second degree in any field – be it engineering, science, liberal arts, sociology, business or other. We would like to invite you to our Connection Event. This event will be a good opportunity for you to find out more about the fascinating and high impact work we do in Greater China as well as to discuss a career in management consulting in general terms.

BCG representatives will be available to discuss further with you about the opportunities BCG can offer. Even if you are undecided or just curious about what strategy consulting is, please come along to the event and talk to us.

We very much look forward to meeting you soon. Stay tuned on "[BCG in Taiwan](#)" Facebook page for more upcoming recruiting events.
