

**Positions of Assistant Professor or Above Available
at the Department of Materials Science and Engineering
National Taiwan University**

The department has several tenured-track faculty positions available, starting from February 1st, 2017. Candidates are expected to have a Ph.D. degree in material or science engineering disciplines and are experts in any of the following areas: metal materials processing, metal materials, energy materials, materials analysis, materials simulation, and related areas of other novel materials.

Candidates should, by the deadline, June 30th, 2016, submit:

- (1) C.V. and publication list,
- (2) a copy of Ph.D. degree diploma,
- (3) 3 letters of recommendation (those who apply for the position of assistant professor should also submit the letter of recommendation by the PhD dissertation advisor), and the recommenders' e-mail addresses),
- (4) undergraduate and graduate transcripts,
- (5) 1 to 5 off-prints of representative publications within 5 years (2012/2/1~2017/1/31), 1 to 5 off-prints of referential publications within 7 years (2010/2/1~2017/1/31),
- (6) a brief statement of teaching plans (at least 1 course taught in English), and
- (7) a brief statement of future research.

Please send to:
