

*3<sup>rd</sup> MSE-JWRI workshop on*  
***MATERIALS DESIGN AND JOINING***

**Friday, May 19, 2017, JWRI Osaka University, Japan**

Organized by

*Joining and Welding Research Institute, Osaka University,  
Department of Materials Science & Engineering, National Taiwan University*

An agreement of academic exchange between The Department of Materials Science and Engineering, National Taiwan University and Joining and Welding Research Institute (JWRI), Osaka University was concluded in Dec. 2012. Base on this agreement, the third MSE-JWRI workshop on materials design and joining (*MDJ 2017*) will take place in Osaka, Japan, May 19, 2017. This workshop provides a forum for presentations and discussions in the field of material science and processing technology, with the objective of promoting further cooperation.

### **Scope**

This workshop will cover aspects of designing for functional and structural materials, biomimetic materials, porous materials and other advanced/smart materials, and of processing for novel joining/welding, joining of dissimilar materials, microjoining for electronics, solid state reactions, and of modeling in joining processing.

### **Schedule and Location**

May 19<sup>th</sup> Workshop (Conference Room, 2<sup>nd</sup> Floor JWRI Main Building),  
Lab Tour (JWRI), Banquet (Place to be confirmed)

### **Important Dates**

April 25<sup>st</sup> Abstract Due (with attached format)  
\*Submit to: katsumata@jwri.osaka-u.ac.jp  
May 1st Notification of final program

### **Fees**

Workshop Registration Fee: Free of charge

Banquet: 4,500 JPY

(Fees for the banquet might be changed based on number of participants.)

### **Contacts**

JWRI: SA Assoc.Prof. Mihoko Katsumata katsumata@jwri.osaka-u.ac.jp	NTU: Prof. Wei-Hsing Tuan tuan@ntu.edu.tw
